Mid -Year Report KING GOV'T IS Shows Increased Mines Production

Metal and Mineral Output for Past Six Months Reveal Industry in Strong Position in Spite of General Depression, Says Hon. . . W. A. McKenzie

Coal and Copper Producers Hard Hit

NCREASED quantity production of minerals and metals during the first elx months of the year, compared with the corre-sponding period of 1250, a emphasized in the midwar report of Hon. W. A. McKennie, Minister Of Mines. Attention is drawn has to four new mines that were brought into desaid produc-tions of the contraction of the contraction of the con-capital on the coast of British Columbia. Thereast manufacts conducted to produce the coast of British Columbia.

ITALY STUNNED

Today a Secret Is Out!

FOR months past it has been rumored in radio circles that one company would step away ahead of all competitors with a revolutionary new sent or advanced in its engineering and reception refinements as to offer antirely new standard of musical entertainment for the home. Today the

BRUNSWICK

Announces the Radio Sensation of 1931

And this instance is another illustration of the pre-eminent, position of Fletcher Bros. in the musical instrument trade of British Columbia. To Fletcher Bros., and Fletcher Bros. exclusively, has been given the privilege of distributing the New 1931 Brunswick on Vancouver Island. You are accordingly invited to see our window display today, and to come in and hear the instrument that has been the outstanding feature of the big radio shows in the East and West this Summer.

YOU WILL SEE ship—plus the simplest One-Dial Control ever devised for radio. In the New 1931 Brunwick UNI-CONTROL does it all 1 Turns "One-Time" of the distant stations with such precision that only one station are received at a time. Subdates volume for local. Increases volume. Decreases volume. Operates Tone Control so that bass or treble is accentuated at will. Turns off set. One Dial does it all!

THIS IS WHAT

YOU WILL HEAR Brunswick's completely new armored chassis, power under perfect control, and the result is a parity of muscial tone that is sensationally new ... amazingly beautiful. No past performance of radio has been anything like it. You must hear it to fully realize its musical possibilities.

PRICES SET A NEW

STANDARD OF VALUE Considering the rich reforment of the musical quality, careful workmanship that it apparent in every detail, advanced engineering principles employed for the first time, the values are incomparably the finest ever known in radio. Lowboy model at \$229.85. Highboy at \$267.50. Convenient terms and no waiting . delivery of your set today.

TOURISTS!

There are lakes and rivers, beaches and resorts, on Vancouver, Island that are superlative from a scenic or holiday-making view-point! Places of interest, too! Huge mining works, real "high-ball" logging camps, and some of the largest lumber mills in the Northwest.

And, all the way, one finds auto camps and hotels of the first order, Nor do you ever get very far away from a good Golf Course! So, if you phone, or drop in, we will be glad to explain each or all of the foutes traversed by our luxurious safety-coaches.

WE GO EVERYWHERE

And, Don't Forget!
